See You There!!

President's Corner

It's hard to believe we've reached the end of the year with our NCMA meetings. I would like to take this opportunity to thank all of the Officers and Committee Chairpersons and members for their hard work this year. It has been a real pleasure to serve as your President this year and these contracts professionals have made my job very easy. We've had an excellent slate of speakers for our meetings this year along with some excellent workshops and a very successful NES.

We have an exciting meeting planned for June 4th. Our speaker will be Mrs. Sallee H. Reynolds, Principal of Hardin Valley Academy and her topic will be; 'The New Hardin Valley Academy.' We hope this will be the start of a relationship with Hardin Valley and other local high schools to promote the field of Contracting as a career. We will also be announcing this year's scholarship winners. Finally, we will be electing our officers for the coming year. Please make plans now for this important meeting.

Sonny Rogers
